

Wellness Resources Guide

Self-guided programs, apps, and articles included with your EAP benefit.

Your EAP includes proactive wellness resources you can use any time, on your own schedule. Everything below is free through your benefit.

Featured Programs

- Mindfulness and Stress Reduction — evidence-based techniques for managing everyday stress (online and app-based, 8 sessions).
- Parenting Support Group — guided discussions for parents balancing childcare, school, and work (video group, 6 sessions).
- Work-Life Balance Coaching — one-on-one support for the demands of daily life (up to 4 sessions).

Apps With Free EAP Access

- Calm — meditation and sleep app, free premium access through your EAP.
- Headspace for Work — mindfulness and focus tools for employees.
- BrightLife by AllOne Health — your EAP companion app to track sessions, access resources, and find providers.

Popular Self-Help Articles

- Managing Workplace Burnout: 5 Strategies That Work
- How to Talk to Your Kids About Stress
- Building Everyday Resilience
- Sleep Hygiene for a Healthier Mind

Find all of these in your member portal at member.allonehealth.com/resources, or ask Hannah to send them to your phone or email.
